International Journal of Oral & Maxillofacial Pathology

International Journal of Oral & Maxillofacial Pathology is a Peer-Reviewed Free Online & Subscription based Print Journal, Published Quarterly. The Journal offers a full coverage on the new concepts and rare reports on Oral & Maxillofacial Pathology. The journal publishes papers of high scientific merit and widest possible scope on Oral & Maxillofacial Pathology.

Submission of Manuscripts
Authors should submit their manuscripts to the Journal of Oral & Maxillofacial Pathology by online. You may submit the article by using the following URL: http://www.ijomp.org or http://journalgateway.com/index.php/ijomp.

After submission, the copyright form has to be signed by all the authors, and send to the editorial office by surface mail within 15 days of manuscript submission. Further changes of authorship will not be accepted. This form can be obtained from the journal site www.ijomp.org.

Regarding author guidelines please visit journals website: www.ijomp.org or send a request to the editor for the same.

Copyright Transfer
All submissions should include a properly signed letter by all the authors addressed to the Editor-in-Chief stating: “The copyright of this manuscript is transferred to the International Journal of Oral & Maxillofacial Pathology effective if and when the article is accepted for publication. The author warrants that their contribution is original and has full power to make this grant. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (online/ offline) or any other reproductions of similar nature.”

The corresponding author signs the covering letter and accepts responsibility for releasing this material on behalf of any and all co-authors.

Copyright Policy
Except for the purpose of research or private study or constructive criticism or review, no part of this publication can be reproduced stored or transmitted in any form or by any means without the permission of the editor.

Archiving
An author may self-archive an author created version of his/her manuscript on his/her website. He/she may also deposit this version on his/her institution and sponsor’s (sponsor’s designated) repository at the sponsor’s request or as a result of legal obligation, including his/her final version, provided it is not publically available until after 12 months of official printed publication. He/she may not use the publisher’s .pdf version which is posted on www.ijomp.org for the purpose of self-archiving or deposit. Furthermore the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on www.ijomp.org. This link must be accompanied by the following text “The original publication is available at http://www.ijomp.org”
